Higher Education,  
Himachal Pradesh-171001.

Dated Shimla-2, the 6th August, 2018.

**Subject:** GCTE, Dharamshala, illegal withdrawal of remuneration by  
the regular faculty.

Sir,

It has been reported that the regular faculty at the above institute had drawn remuneration for delivering lectures at par with the outside resource persons. This is absolutely illegal and the amount so drawn by the staff members of GCTE needs to be recovered at the earliest. The period reported is between 2012 to 2015.

You are requested to have a through probe in to this and ensure recoveries under intimation to this office.

Yours faithfully,

  
(Dr. Arun Kumar Sharma)  
Secretary (Education) to the  
Government of Himachal Pradesh.

**Subject: Training of the newly promoted Principals.**

Sir,

On the persistent exhortations of the Government, a training programme had been held in June and such programmes were to become an integral part of educational trainings. Unfortunately, this appears to have become a onetime exercise and now the department has become oblivious to this important input, which is really unfortunate. Recently in a meeting held in Delhi, it emanated that GOI intends to introduce induction programme for all the new recruits at all levels and on the other hand, we have almost discontinued the recently introduced training programmes. Please, apart from making the already introduced training programme as a part of our efforts to improve the overall supervisory layer more effective, chalk out a training calendar for all categories. Ensure training of all recently promoted Principals and fresh Assistant Professors at the earliest.

Yours faithfully,

  
(Dr. Arun Kumar Sharma)  
Secretary (Education) to the  
Government of Himachal Pradesh.

**Subject: Action taken report on Annual Results**

Sir,

I had specifically asked for follow up on the board results, right from May 2018, I had been assured by the Directorate that necessary action had been taken and a composite report was on way to the govt.

To my dismay, in August, it is now made clear by the Director himself that nothing had been done in the Directorate. This means that the branch in-charge in the Directorate had been deliberately been misleading the government. I had even talked to him on 3rd August on telephone and he had again told the same story i.e. the reports from the field were forthcoming. This was absolutely misleading and an attempt to save those who should be held accountable for the poor results in government schools.

This officer in question, ought to be proceeded for total dereliction of his duties and his misconduct be enquired in to.

Yours faithfully,

(Dr. Arun Kumar Sharma)  
Secretary (Education) to the  
Government of Himachal Pradesh.
