Subject: - Observing '4/4' (4th April) every year as Disaster Awareness Generation Day.

Sir,

The Disaster Management Cell (DMC), Department of Revenue in association with the District Disaster Management Authority(s) (DDMAs) has been organizing various activities for awareness generation on disasters, on 4th of April, every year to mark the anniversary of the Kangra Earthquake of 1905. The Kangra Earthquake of 4th April, 1905 accounts for the largest death toll ever recorded during a disaster in the Western Himalayas.

The purpose of organizing various activities on this very day has been to sensitize and prepare the government machinery and the community at large to deal with the risks of an impending earthquake. All the departments and districts of Himachal Pradesh are therefore requested to conduct various sensitization programmes/awareness generation activities on '4/4' (i.e. 4th of April) every year to ensure better preparedness of stakeholders and the community.

This is for your kind information and further necessary actions please.

Yours faithfully,
