Subject: Invitation for proposals on the prescribed template for
funding from State Innovation Fund (SInF).

Sir/Madam,

On the subject cited above, I am to say that State Innovation Council was constituted by State Government in 2011 under the Chairpersonship of Chief Secretary, Government of Himachal Pradesh giving representation to major departments, technical institutes & universities of the State with a view to promote innovation at State level. This Council acts as an apex body to institutionalize the innovative processes & practices by providing a common platform to local talents, competencies, resources & capabilities.

As a strategy to promote excellence & creativity in the functioning of Government Departments/offices, State Innovation Fund was created in 2013 to meet the need of gap-funding for transforming new and innovative ideas into reality with their replicability at an economic cost. The fund encourages the government departments, institutes and organizations to try new initiatives & innovative thinking with the end result of innovative actions/projects. The fund is intended to be flexible enough to accommodate a range of different types of innovative ideas and activities.
