**Subject: Online Programme on School Leadership and Management of the
National Centre for School Leadership, NIEPA-reg**

Respected Sir,

At the outset, we extend our heartfelt gratitude to all the support that your state government has extended over the past few years in making the National Programme on School Leadership Development successful and reach out to as many School Heads/ Principals (Government and Government Aided) as possible. This programme has been successful in building leadership capacities of school heads for school transformation. To take the reach forward, the National Centre for School Leadership at NIEPA, employed multiple approaches of programme delivery to cover the huge magnitude of schools in the country and within each state/UT. In this context, NCSL had launched an **Online Programme on School Leadership and Management (Basic Level)** for School Heads/Principals of all schools (Government and Government Aided) in February 2018, which could be accessed through a web url.

We need to inform you that the Online Programme on School Leadership and Management can now be accessed through a **changed** web url: <http://pslm.niepa.ac.in/>. This web url will remain permanent. All our Online Programmes will be launched on this portal through this link. Due to change of url, it is requested that you may kindly advertise this web url through various state government websites so that already registered participants can continue with the programme and new school heads can register any time, round the year. The notification to be uploaded on websites is attached with the letter (Appendix 1). You may modify and add information as per your discretion.

To update you, the features of the currently ongoing Online Programme on School Leadership and Management are as follows:

- The current Online Programme is of the **Basic level** for School Heads/ Principals.
- This course is built on the seven curricular areas of the School Leadership Development Curriculum and has various modes of interactive user interface.
- The duration of the programme is of two and a half months. Further details of the programme are given on the web url.
- The completion of the Online Programme leads to a Certificate from NCSL, NIEPA.

Contd.....

In addition, NCSL, NIEPA will be launching the following Online Programmes in 2019-2020:

- **Online Programme** on School Leadership and Management of the **Intermediate level** for School Heads/Principals to be launched in 2019-2020
- **Online Programme** for Leadership Development of **System level functionaries** (District/Block/Cluster) to be launched in 2019-2020

The web url of the National Centre for School Leadership, NIEPA has also undergone change. The new web url link is: <http://ncsl.niepa.ac.in/>.

For any further clarification and information, NCSL help desk may kindly be approached. The details are as follows: Contact Person: Suraj Kumar, Mob: 07011651546, Ph: 011-26544800/551/552, Email Id: ncslhelpdesk@gmail.com.

We look forward to your support.

With warm regards,

Yours sincerely
