Subject:- Regarding Implementation of the National Disaster Management Guidelines
On School Safety Policy.

Memo,

You might be aware that the Hon'ble Supreme Court vide its order dated 14th August 2017 has directed that the implementation of the School Safety Policy issued by NDMA has to be implemented in letter and spirit by all concerned authorities. But from the perusal of the Quarterly reports for the quarter ending 31st March 2019, it has been noticed that the data submitted by some DDHEs doesn't match with the data /quarterly reports submitted earlier. Some figures in the reports seem to be imaginary and fake.

Keeping in view the above it has been proposed to conduct a joint meeting of all stakeholders in the month of June 2019 to review the actions taken by the schools/institutions in the implementation of National Disaster Management Guidelines on school safety. You are therefore, directed to maintain proper record of all the activities at District level on the basis of actual information received from schools. The next quarterly report may be submitted to this office carefully after rectification and necessary amendments so that the actual/real time information may be submitted to the Government accordingly.

Any lapse in this regard will be viewed seriously.
