drill in Himachal Pradesh.**

Sir/Madam,

I am directed to refer to the subject cited above and to say that the 1905 Kangra Earthquake took place on 04th April. The Kangra Earthquake resulted around 20000 deaths.

The HPSDMA in the first meeting held on 07th December, 2011 has decided to conduct mock drill ("Drop- Cover- Hold" and Evacuation Drill) in all the educational institutions (i.e. school, colleges, universities and technical institutes) to mark this occasion and to prepare the young generation to face such disasters, if these occurs in future. This mock drill will be conducted in all Government and Private Institutes on 04th April, 1905 at 11:00 AM.

It may kindly be ensured that the shakeout drill is conducted as per the guidelines, laid down by the SDMA, titled as "Earthquake and Fire Mock Drills in Schools / Educational Institutions". A copy of the guidelines is available in HP SDMA website and can be assessed at <http://hpsdma.nic.in/Mock%20Drills->
