Subject: - **Regarding HIMSWAN Connectivity.**

Sir/Madam,

I am directed to inform you that IT Department through Society for Promotion of IT (SITEG), Himachal Pradesh has shortlisted M/s Airtel as Secondary Telecom Services Provider to provide high speed HIMSWAN connectivity to various Offices across the State. As per project requirement, M/s Airtel would conduct Feasibility/Site survey prior to the commissioning of HIMSWAN link in the office.

It is, therefore, requested that necessary assistance may be provided to M/s Bharti Airtel for providing HIMSWAN link. In addition to this, below are some of the points which user Department has to ensure prior to the commissioning of HIMSWAN link: -

1. Earthing/UPS power supply within the office is to be arranged by user Department. Site will be considered not ready from Department end in the absence of or delay in arranging proper Earthing & UPS power supply at the site.
2. Concerned office would provide UPS supply, with proper earthing and appropriate place, for installation of equipment to be deployed by M/s Bharti Airtel, if required, for activating the HIMSWAN link.

Yours faithfully,

Additional Director (Admin),
Society for Promotion of IT & E-Governance,
Himachal Pradesh.
Dated: 04.08.2018

Endst. No. As above
