To

The Principals/Headmasters of
All the Senior Secondary Schools/High Schools (Govt.& Private)
In Himachal Pradesh

Subject: Regarding collection of UDISE+ data online as on 30.09.2018.

Sir,

Unified District Information on School Education (UDISE) initiated in 2012-13 integrating DISE for elementary education and SEMIS for secondary education is one of the largest Management Information Systems on School Education.

Under the existing set up, the data is fed manually at the school level in Data Capture Format (DCF) of UDISE on the cut-off date of 30th September of each year. The information under UDISE is collected from each school once in a year which cannot be updated on a real-time basis. Therefore from 2018-19, MHRD has decided **to launch the UDISE+ (i.e.,UDISE plus) application, so that it becomes an effective tool for decision making.**

MHRD has directed vide D.O.No.23-3/2018 dated 7.03.2019 addressed to Principal Secretary Education, Govt. of Himachal Pradesh for implementation of U-DISE in the State. The Process could not be initiated earlier because mapping of schools were required due to creation of new blocks before starting the work. Now the work of mapping has been done. The following strategies have been finalized for the collection of UDISE+ as per the mandate of MHRD, GOI:-

1. Training will be imparted to all the schools (Govt. & Private) at block level in which the DCF (Data Capture Format) will be discussed in details alongwith the online software.
2. GSSSs, GHSs and Private schools will be given user name and password and they will have to digitize their school data at their own level before 20th June, 2019 in **udiseplus.gov.in** portal of MHRD, GOI.

Registered user or school head will be provided OTP on their mobile with user name and password.

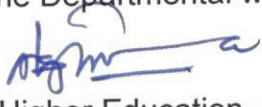

In this regard, you are directed to upload the accurate data of your school on the portal before 20th June, 2019 alongwith accurate and updated GIS Coordinates (latitude and longitude) which can be obtained through either smartphone/wikimapia/schoolgis.nic.in or you may contact block level functionaries.
