January 15-17, 2020, National Centre for School Leadership, NIEPA-reg

Dear Shri Pant,

The National Centre for School Leadership (NCSL) at the National Institute of Educational Planning and Administration, New Delhi is organizing a National Conference on 'Leadership for Quality Improvement in Schools' on January 15 -17, 2020 at India International Centre, New Delhi. The Conference endeavors to provide the platform for sharing of new practices, innovations, perspectives and experiences in the field of School Leadership. The Conference intends to bring together leading academicians, practitioners and scholars in the area of school leadership as well as Principals/Head teachers from State Government schools, schools under the *Kendriya Vidyalaya Sangathan (KVS)*, *Navodaya Vidyalaya Samiti (NVS)* and *Central Tibetan School Administration (CTSA)*.

NCSL began '*Celebrating School Leadership*' (CSL) as an initiative to recognize school leadership at all levels of school education, across States/ UTs in the year 2018. In continuation of this initiative, the Centre is inviting submissions from head teachers/heads of schools/ principals (from primary to senior secondary schools) in the form of case studies and video documentaries on exemplary practices initiated and sustained in their schools. We expect to receive case studies and video documentaries that describe school leadership initiatives and their impact on quality improvement in schools. The school heads/principals who have demonstrated exemplary leadership practices in their schools will be provided a platform during the proceedings of this National Conference.

It is requested to kindly disseminate the information regarding Celebrating School Leadership in your state so as to encourage school heads/principals to write to us their experiences of improving school quality through leadership practices.
