Sub: Information on NSS Facebook and Twitter – Reg.

Sir/Madam,

A high level meeting was held on 22nd Sept. 2017 with Hon'ble Minister of Youth Affairs and Sports, Govt. of India on Social Media. In the meeting, he desired that the involvement of NSS volunteers in the Facebook page and Twitter needs to be scaled up.

For your information, there is negligible presence of the NSS volunteers in our NSS Facebook page and Twitter. To be precise there are only has 6028 likes in Facebook page and 160 followers in Twitter. This establishes the fact that NSS volunteers have not been educated or made aware of NSS presence in Social Media.

In this regard you are requested to ensure that all the volunteers under your jurisdiction are informed about the NSS Facebook page (NSS India) and Twitter (@_NSS India) and encourage them to like Facebook page & follow Twitter so that they are aware about the activities happening in NSS. Also the Regional Director should ensure the activity happening in the state be shared so that it is reflected in NSS India Facebook page.

Looking at current situation wherein hardly NSS volunteers know the activity of NSS, we may set a target of minimum 20% of the NSS volunteer to be involved in NSS Facebook & Twitter respectively within 31st of October 2017. Then in November once the buzz is created we may target minimum 50%.

The NSS Facebook page is NSS India and Twitter Account is @_NSS India. You may kindly circulate this information to all the NSS family. For the uploading of pictures, video and content can be sent to smnssindia@gmail.com that will be uploaded at HQ level
