Subject

Regarding implementation of On-Line-Competitive-Test-Module on RMSA
Portal SWAYAMSIDHAM(rmsahimachal.nic.in)

Sir/Madam,

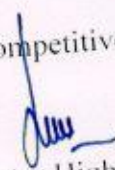

It is to be appreciated that On-line competitive-test module of Swyamsidham Portal is ready for use at the school level. In order to motivate the students for self-study and competitive based examinations, game-based-question-bank and notes for the 9th and 10th classes in Maths, Mental Ability, Biology, Chemistry and physics have been prepared and uploaded. These are of Root Stage; Take off Stage, Smart Stage, Intelligence Stage and Genius Stage.

Based on the feedback of the principals and other Stake holders, the format to enroll the students (annexure A) is to be imported by the heads of the institution/schools.

For this Principals/Heads are to:

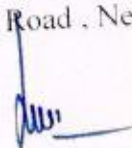

1. Open the Swyamsidham Portal (rmsahimachal.nic.in) and click the on-line competitive test module at RHS.
2. Click on admin.
3. Select user as Principal and Choose standard.
4. Fill your user name as email id and the password through which you have already registered yourself in Swayamsidham portal.
5. Click on **candidates** and choose **School Students**. Add students one by one or import them through **candidates Template** attached (in excel format only). You can set common password for all students while importing the candidate data.

Now the students can use the On-Line-Competitive-Test-Module to study the notes and enjoy the game based online test of five levels.
